

REMARKS

A Notice of Allowance has been received in the above-identified application, but the issue fee has not, as yet, been paid.

Confirmation of Allowance of Claim 22

The Applicants respectfully request that the Examiner confirm that claim 22 is allowed and that only non-elected claims 9, 10 and 23-77 have been cancelled by Examiner's Amendment (see page 3, line 10 of the Notice of Allowability).

Amendment

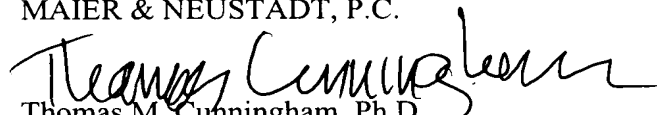

The table on page 52 of the specification has been revised for clarity by deleting the term "SEQ ID NO." from the second column and by clarifying that the second column refers to the phage identified by small letter (e.g., "s", "a", etc.) in the specification. Accordingly, the Applicants do not believe that any new matter has been introduced.

In view of the nature of the revisions, no new search is required.

Entry of the amendment prior to issuance of this application is respectfully requested.

Respectfully submitted,
